Minute for Mission

Prayers of the People

One: O Lord, we pray today for the times when we are meek -- when we realize the value of not being pushy; when we understand the benefits of co-operation over competition; when we quietly go about our business in a capable and efficient way; when we have our impulses under control; when we realize our limitations and our weaknesses and work to strengthen them.

All: Lord, hear our prayer.

One: And, O Lord, we pray today for the times when meekness needs to be modified as we pray for the courage to speak out against injustice; as we pray for the bravado needed to alert the world to the great needs in our community and in our world; as we pray that we are urged to help friends who are in need and crave for our attention -- that we do not hold back our love for them.

All: Lord, hear our prayer and help us to further the coming of your kingdom through many acts of simple, pure, generous, and inclusive love. Amen.
