Opening Prayer and The Lord's Prayer  
Be with us today, O Divine One. Change can be a hard thing to go through. Please give us grace to endure the difficult changes, and to embrace new things that you are creating us to experience. Help us remember that you are the one constant thing in our lives that we can always turn to when we need courage and peace. We pray to you who is our Mother

and our Father who art in Heaven hallowed be thy name. Thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation but deliver us from evil, for thine is the kingdom, the power, and the glory, forever and ever. Amen.

Hymns:

VU 436 Abide With Me  
VU 652 Be Still, My Soul

"Constant One"

In the moment I am hiding  
Your love it seeks me out  
And You hold me and You know me  
From the inside out, from the inside out

Constant One, endless is Your love  
Like a river, can't be stopped, You're faithful  
Constant One, who is like You, God?  
Your mercy's like the sun  
Always rising over us

It's amazing how You take me  
Just for who I am  
In the valleys, on the mountains  
I'm always in Your hands, I'm always in Your hands

Constant One...

And there is no place that I could run that  
You won't chase me down, You won't chase me down  
And there is no place that I could hide that  
I will not be found, I will not be found

Constant One...
